

Capreolus Club

We hope that you enjoyed Peter Lunzer's brief introduction to the world of Brandy at Dunhill on Wednesday and thought that we would share with you the details of the brandies we served that evening.

In order of appearance:

First was the **Grande Champagne Cognac** from Mme Raymond Gagnaud.

It's rivals are £100+ per bottle but this family owned estate at Chateau 'Ambleville has been making exquisite Cognac for 150 years without a PR agency or marketing budget...

Price from Lunzer Wine Group is £48 per bottle

Next was the bargain from Waitrose.

Currently on special offer and an Armagnac which has received many accolades punching well above its price.

(currently £27 per bottle)

This is Peter's idea of a proper Calvados with gorgeous apple flavours and plenty of lively spirit and acidity which all combine to aid digestion through even the most stubborn of rich dinners!

Generally available at about £42 per bottle

Capreolus Club

A stunningly smooth 15 year old
Available at around £75 per bottle
